Our Chosen Charity

DRESS FOR SUCCESS®

NSW & ACT - ILLAWARRA

Dress for Success NSW/ACT (DFS Illawarra) is a volunteer-powered organisation that supports women in need to benefit from holistic and unique career support services. Our vision is of a world where women thrive in work and in life. Our mission is to help unemployed and underemployed women achieve economic independence. We do this by providing a network of support, clothing, and a holistic suite of practical career development support services free of charge to those women needing our services.

The DFS Illawarra showroom has been operating since 2017, and supports over 450 women every year from across the region into economic independence.

Our Illawarra team support women in their journey to enter, or re-enter the workforce, and increase female workforce participation through a 5-stage process:

- (1) providing professional work clothing;
- (2) delivering workshops;
- (3) resume support;
- (4) mock interview sessions; and
- (5) 1:1 career support coaching.

Our holistic program is designed to improve confidence and resilience, increase our Clients' career relaunch chances, and upskill them for their new roles.

DFS is powered by more than 1,000 Volunteers across NSW that support and enhance the work of our small team of staff. Every year, Volunteers provide nearly 20,000 hours across our three branches, because they believe in the Dress for Success mission and see the direct impact on the lives of so many women.

YOUR HOST

Karen's personal journey through life's challenges sparked the idea behind this event.

Observing the transformative power of resilience within her local business community, she found her inspiration.

As a self-employed provider for her family, she recognizes the privilege she holds amidst life's difficulties.

In response, this event is designed to bring people together, stoke inspiration, and offer mutual support.

Some of our community sisters are facing really tough times, and Karen is determined to make a positive impact. She is backed by a community of strong, compassionate women who share her vision of empowerment and mutual assistance.

The heart of this initiative lies in ensuring that every woman has the opportunity she deserves – the chance to excel in her career, claim her space, and pursue her aspirations with confidence.

With this purpose in mind, it is for this reason that we have proudly partnered with Dress for Success Illawarra as our respected charity partner.

Entertainment

Kerrie Sweeney / Blues, Soul & Jazz Vocalist

Kerrie's brilliantly diverse, powerhouse vocals allow her to deliver memorable performances.

She leaves audiences mesmerized by her "spine-tingling" renditions or will have them jumping out of their seats during her up-tempo numbers.

Kerrie is the only Australian Blues artist to win back to back awards for 'Best Female Artist' at the 'Australian Blues Music Chain Awards 2001' and 'Best Blues Song of the Year' at the prestigious 'MUSICOZ Australian Independent Music Awards 2001'.

Kerrie's first award was Best New Female Artist at the Australian Blues Music Awards in 1998 for her songs written and recorded on her first CD "Truth Lies & Blues".

Over the last 2 years Kerrie has made a trumpet return to the music scene with knock out performances at major music venues and Australian music festivals.
